To: Prof. Dr. Mithat Diğek
Agricultural Economics Department,
Faculty of Agriculture,
Selcuk University, TURKEY

Dear Prof. Mithat Diğek,

Graduate School of Sebelas Maret University, Indonesia, which is one of a leading national university in Indonesia together with University of Kentucky (USA); Chinese Academy for Tropical Agriculture Sciences, China; Karlsruhe Institute of technology, Germany initiated the 1st International Conference on Sustainable Agriculture and Environment (1st ICASAE). The 1st ICASAE was aimed at facilitating scientists from many countries to discuss the recent findings and innovation in agriculture and environment. The field of interests are concluded Tropical agriculture; Biodiversity; Biotechnology; Horticulture; Climate change; Environment, Local ecological knowledge (included Javanology); Water management and soil conservation; Agriculture social economic; IPM / integrated pest management; Integrated agriculture management; Hydraulic structure, maintenance and operation; Food sovereignty and food security.

The 1st ICASAE which was held on June 26-28, 2013 at Lor In Hotel, Surakarta, Indonesia presented seven invited speaker from China, Germany, Turkey, USA and Indonesia, attended by approximately 200 participants from 10 countries. The 1st ICASAE accepted 65 articles for oral presentation and published in two series of proceeding, with ISSN number 978-979-498-838-1. The chairman of "Organizing Committee of 1st ICASAE was Dr. Prabang Setyono and was successful.

Graduate School of Sebelas Maret University, Indonesia is expecting to expand the scope of ICASAE by collaborating with more overseas universities to carry out the sequence of ICASAE: 2nd ICASAE. Regarding with the 2nd ICASAE, we decided as follows after intensive discussions.

A. Recommend Selcuk University, Turkey to organize the 2nd ICASAE under the coordination of Prof. Dr. Mithat Diğek
B. During planning the 2nd ICASAE, Selcuk University shall involve at least three staffs from Sebelas Maret University as member of Steering Committee, i.e.
1) Prof. Dr. Ahmad Yunus
2) Dr. Prabang Setyono
3) Kurniadi, PhD.

If Selcuk University can agree with this, please inform us your confirmation. May our mutual collaboration long lasts and reach more benefits.

Signed
January 19th, 2015

Call for abstract

Selcuk University is pleased to invite you to take part in the 2nd International Conference on Sustainable Agriculture and Environment (2nd ICSAE), which will be held at the Selcuk University Campus in the City of Konya, Turkey between September 30 and October 3, 2015. This is an event for researchers, scholars, engineers, resources managers, students, policy-makers, and all those interested in agricultural and environmental sciences. The conference provides great opportunity to network with colleagues worldwide to share knowledge and experience on teaching and research in agricultural and environmental area.

www.2ndicsae.org
Scope of the symposium

The main scope of this symposium is to invite the experts to discuss the projects and applications on sustainable development in agriculture and environment. The main topic areas include interaction between agriculture and environment, social and economic aspects of environment, biology and agriculture, using biology to tackle environmental & agricultural concerns, sustainable development, tropical agriculture, biodiversity, biotechnology, horticulture, plants, animal production, climate change, environment, local ecological knowledge, water management, soil conservation, agriculture social economics, IPM (Integrated pest management), integrated agriculture management, hydraulic structure, maintenance and operation food sovereignty, food security, other related agriculture and environment issue. Please find the conference brochure here.

Submitted papers will be reviewed by the conference scientific committee. All accepted papers will be published in the conference proceeding. Selected papers based on the quality will be published in the one of the journals below:

1. Selcuk Journal of Agriculture and Food Sciences (http://sjafs.selcuk.edu.tr/sjafs/index)
3. Fresenius Environmental Bulletin (http://www.psp-parlar.de/)

The conference proceedings and certificate of presentation will be distributed to the conference participants at the conference registration desk.

Organizing Committee

News

- All submitted papers have been reviewed and the results have been announced. If you have not yet received the result, please contact us through info@2ndicsae.org or mithatdirek@gmail.com

- Due to request from many people, the submission deadline has been extended by the end of the June 2015.

- ..............................................
  as a keynote speaker will give a talk on “Friendly Environment to Agricultural Production”.

- Paper submission has been extended by the end of the June 2015.

www.2ndicsae.org
Topics

Submission of papers and posters is now invited to include, but not limited to, the areas listed below.

Agriculture
Biodiversity
Biotechnology
Horticulture, plants, animal production
Environment
Local ecological knowledge
Water and wastewater treatment
Soil, water, and climate
Surface and groundwater resources
Structures and environment
Nanotechnology and agriculture
Precision farming and variable rate technology
Power and machinery in agriculture
GPS and GIS technology
Agricultural waste management
Mathematical modeling in agriculture
Renewable Energy & Energy Management
Agriculture social economics
IPM (Integrated pest management)
Integrated agriculture management
Hydraulic structure
Maintenance and operation
Food sovereignty
Food security
Other related agricultural and environmental issues

www.2ndicsae.org
**Important Dates**

Full paper submission: June 30, 2015.
Notification of acceptance: Two weeks after submission
Final paper and registration form submission: July 30, 2015.

**Paper Submission**

In order to submit your paper, please follow the below instructions and send your full paper along with the submission form to info@2ndicsae.org.

**Poster Preparation**

Authors whose papers have been accepted as poster should prepare their presentations with dimensions of 80 cm width ×100 cm height and according to the conference format. This can be reached here.

**Venue**

The conference will be held at the Selcuk University Campus in the City of Konya – Turkey. On arrival in Turkey, Turkish Airlines (http://www.turkishairlines.com/en-tr/) can be reached from the Istanbul Atatürk International Airport (IST) to Konya (KNY). Alternatively, bus or train is available to travel from Istanbul to Konya. All the conference attendees will be shuttled by bus from the hotel to the university campus. Additionally, trams and some other community transportations are available to travel to university campus.

For more information about the City of Konya, please check this web page; (http://www.konya.gov.tr/). For more information about Selcuk University, please click this link; (http://www.selcuk.edu.tr/default_en.aspx)
